## Venezuela!

Sea Life visited Medregal Village, Golfo de Curaco, Venezuela, to haul out and paint the bottom with new Anti-fouling. Cruising information on the area is not complete so I have added this page to try to help people who would like to explore this area and visit one of the prettiest boatyards in the world.

### Cumana

Sea Life had a safe voyage from Grenada to Venezuela. Its a little more dangerous at sea so precautions needed to be taken harking back to Gulf of Aen times.

Grenada to Cumana, Venezuela. NOT stopping at Los Testigos NOT Margarita. I left Grenada 2AM Saturday morning (headwinds) was off Los Testigos 11pm;
